**Game Structure**

All division games will consist of three 20-minute run time periods. Stop time will be in effect for the final TWO minutes of play if there is a two goal differential or less.

**Overtime** - If the game is tied at the end of regulation, a 5 minute, 4 on 4, sudden death run time period will be played. The final minute of overtime will be stop time. If the game is still tied after the OT period, there will be a shootout with alternating single shooters until a winner is determined. Two points will be awarded for a win, and one point for the overtime loss.

**Player Awards**

Awards are based on the regular season. Winners will receive a 25% discount off the next season's rates. Players with game misconduct penalties will be removed from contention. Ties will go to the player with fewer penalty minutes.

**MVP** - At the conclusion of each game, our staff will choose a player of the game. The player in each league chosen the most times over the course of the season will win the MVP Award.

**Playmaker** - Player with the most assists.

**Glove & Blocker** - Based on GAA and SV%.

**Penalties**

**Minor** - 2 minutes stop time  
**Major** - 5 minutes stop time  
**Coincidental** - 3 minutes run time

Any player who receives a major penalty for fighting will be suspended for 3 games. If that player also receives an instigator penalty, he or she will be suspended for a total of 4 games. A second fighting suspension may result in permanent suspension from any Ice House hockey event. Any player that receives 4 penalties in one game will be ejected for the remainder of the game. The player may receive a game suspension if one of those penalties is a major or misconduct.
