PLAY AT APPROPRIATE LEVEL

Players must play in the League appropriate to their skill and experience. A player may not play up or down more than one level and may be prohibited from playing at more than one level. Levels played in previous seasons or at other rinks may affect player eligibility for play in each League. The Hockey Director reserves the right to move players to higher or lower Leagues at any time during the season.

PLAYER DRAFT

The Player Draft is mandatory for all players with no league history at the Ice House. Full gear is required. B1 league captains draft first, followed by B2, C1 and C2 captains. The Hockey Director reserves the right to assign undrafted players to teams.

TEAM ROSTERS AND JERSEYS

Rosters are due by the Captains' Meeting. No player additions are permitted after game 5. All rosters are subject to approval by the Hockey Director, who reserves the right to change rosters at any time due to skill, injury, relocation or other relevant considerations. All players must be on the team roster, and no substitutions or walk-ons are permitted. Goalie substitutions are permitted with Hockey Director approval. To play in the Playoffs, a player must play at least four regular season games. All players must have a jersey with a number on it that is the same base color as the rest of the team. The Ice House staff must approve all jerseys.

USA HOCKEY REGISTRATION

A USA Hockey registration must be current and on file at the time of registration. All USA Hockey registrations expire on August 31st of each year. Players can register and pay at www.usahockey.com.
