Program Descriptions

Learn to Skate — Hockey

For aspiring hockey players that need skating basics: forward and backward skating, proper stride and stopping. Players must be able to forward skate without assistance to enroll in class. Hockey skates, helmet and gloves required. Rental skates are included if needed, and some loaner equipment may be available.

Learn to Play Hockey

Players learn hockey fundamentals to prepare them for game play: continued development of skating skills, stick handling, passing and shooting. Game fundamentals and rules are introduced. Full gear is required.

House Leagues

For players that have completed Learn to Play Hockey or have previous hockey experience. Players practice once per week and play games once per week. Leagues emphasize skating and hockey skill development, game knowledge, basic strategy and fun. Full gear and USA Hockey registration are required.

Youth Hockey Academy

The Hockey Academy is a weekly 75 minute session designed for experienced house and travel players from the Squirt, PeeWee and Bantam levels. Skating, skills and game strategy are taught and practiced at travel and competitive hockey levels. Sessions will be lead by coaches and instructors from the youth, collegiate and professional ranks. A separate Youth Hockey Academy brochure will detail the dates, instructors and curriculum.

Charlotte Flames Travel Hockey

Since 2007, the Charlotte Flames have fielded Mite, Squirt, PeeWee and Bantam travel teams in the Carolinas Hockey League as well as in regional and national tournaments. Flames practices and home games are held at the Pineville Ice House. Tryouts are held in the summer preceding the September to March season. Some roster spots may still be available for the current season. Send information requests to: charlotteflameshockey@gmail.com, or visit their website at: www.eteamz.com/charlotteflamesyouthhockey.
