

PRIVATE LESSONS

WHAT IS A PRIVATE LESSON?

A private lesson is a lesson between an individual and the instructor. The private lesson may take place on a public or freestyle session, whatever is arranged between you and your instructor.

WHO ARE THE INSTRUCTORS?

Our instructors are highly qualified professionals. They are members and follow the guidelines of the Professional Skaters Association. Both children and adults of all skating levels benefit from our instructors' teaching skills. They give personalized instruction to both figure and hockey skaters; and they encourage good sportsmanship, individual goals, self esteem, coordination, hard work, and dedication. Our instructors take pride in their profession and really enjoy passing on their knowledge of skating. Please see the inside of this guide for a list of our current coaching staff.

WHEN CAN I SCHEDULE A PRIVATE LESSON?

Instructors set their own schedules, and you may approach our instructors directly to arrange lesson times. If you are not familiar with the instructors, you are encouraged to visit during our group class times or freestyle sessions to see how our instructors interact with the students. Lesson length and the frequency of lessons are determined by you and your instructor. Lesson length may vary from 15 minutes to an hour. Lessons may be ongoing, occasional, or a few times only.

HOW DO I PAY FOR A PRIVATE LESSON?

Private lesson fees are paid directly to the Coach. Lesson fees are for instruction only and do not include admission, skate rental, or freestyle ice time.

WHAT IF I NEED TO CANCEL MY PRIVATE LESSON?

If you need to cancel a private lesson, please notify the instructor by calling the instructor at least 24 hours in advance. You may be charged for lessons that are not canceled 24 hours in advance. Please check with your instructor for their individual policies.

SKATING ETHICS

PROPER PROCEDURE FOR CHANGING COACHES:

PARENTS:

1. Contact current coach and express reasons for wanting to switch to another coach.
2. Make sure that you have paid any outstanding balances with your current coach.
3. Discuss the change with your child. Make sure he/she is comfortable with the changes.

SKATERS:

1. Do not encourage others to switch from their current coach.
2. Treat all skaters with equal respect.
3. While on the ice everyone must follow the same set of rules.

"JUST SAY NO TO SOLICITING!"

WHAT IS CONSIDERED TAMPERING OR SOLICITATION?

Solicitation can be done by a coach, parent or a skater on the coaches behalf. Solicitation includes contact directly, indirectly or through a third party, in person, by telephone, letter or other means directed to a specific recipient. Parents in the stands talking and convincing other parents to switch their skater to the "better" coach is considered tampering. Avoid soliciting coaches for your own best interest. If you witness any form of solicitation, tell your coach or rink management immediately.

If you are unable to reach the coach you have selected, please contact
